Neighbourhood Association

A neighbourhood association is a group of people who live in the same area and work together to help each other in order to create a better community.

Main Activities

Neighbourhood associations carry out the following activities with the aim of creating a safe, secure, and pleasant community by building bonds among residents, and beautifying the local environment.

The activities of these community-based neighbourhood associations have become a major force for urban development in Kagoshima City.

Let's join a neighbourhood association and participate in its activities!

Annual Activities

● Environmental beautification activities

Installation of garbage stations and integrated cleaning of managed areas

● Self-disaster prevention & mutual aid activities

Conducting disaster prevention drills, helping each other in times of disaster, etc.

● Various cultural activities

Organizing courses and clubs, etc.

● Crime prevention & traffic safety activities

Installation and management of street security lights, and implementation of crime prevention patrols, etc.

● Fellowship and exchange activities

Summer festivals, sports events, an autumn moon viewing festival, and Aigo-kai: Cherishing children activities, etc.

● Traditional preservation activities

Carrying on traditional events, and preserving local cultural assets, etc.

General Assembly

Approval of activity reports and accounts. Decision on activity plans and budgets. Determination of the board members of association.

Audit

Checking account book & receipts, etc.

The neighbourhood association does a lot of work for the community!

Q & A about Neighbourhood Association

Q. Is it compulsory to join?

A. Community activities are led by the neighbourhood association.

Joining a neighbourhood association is not compulsory, but it is an important voluntary organization for creating a pleasant community to live in and for solving local issues.

Let's all work together in the community.

Your cooperation is needed.

Q. What are the benefits of joining?

A. When you live here, you will benefit from the garbage station, street security lights, and other facilities that are maintained and paid for by the neighbourhood association. Your membership helps to create a better community to live in, and leads to community-based activities such as spreading local information, talking to each other on a daily basis and in times of disaster, and helping each other.

Q. What is the membership fee used for?

A. The fund is used for summer festivals, sports events, Respect-for-the-Aged events, various lectures, and renovation of community centres. We also make use of subsidies from the government and pay contributions to various organizations to build connections and communities. In addition to the chairman and associate chairman, the neighbourhood association also has a treasurer and an auditor to manage the membership fee properly.

The budget, settlement of accounts, and other important matters are approved by every member at the annual general meeting.

Q. How do I join a neighbourhood association?

A. Please ask your neighbours, group leader, or board chairperson for membership procedures. In some cases, the contact information is written on the bulletin board of the neighbourhood association.

If you do not know the neighbourhood association in your area, please feel free to contact the city office (contact information is on the back).
